

HOS AWU

(Electronic combustion control,
Electronic primary water cycle control, Underpressure watcher)

Technical data
Stand 2020/08

N. Description

1	Control unit (incl. switch and cable 3,2 m)
2	Temperature sensor with ceramic casing (cable length 4 m)
3	Contactless door sensor (cable length 4 m)
4	Air flap according to set (cable length 5 m)
5	Wireless display
6	Heat sensor PT 1000 (cable length 8 m) temperature in the exchanger
7	Heat sensor PT 1000 (cable length 8 m) accumulation tank top
8	Heat sensor PT 1000 (cable length 8 m) accumulation tank bottom
9	Socket switch for ventilation device (cable length 8 m)
10	Chimney clamp $\varnothing 150-250$ mm including holders for silicone tube (hose length 8 m)
11	Socket switch for ventilation device (cable length 8 m)
A	Circulation pump
B	Ventilation device
C	Room air pressure
